

Saanich Trails Project

Gordon Head

Coastal Greenway **FactSheet**

- Trail Length – 8.0 – 10.0 km (depending on route and tides)
- Trail Width – Shared with road/sidewalk for majority of trail route
 - Future park trail upgrades within Ferndale Forest to be in keeping with the “Glencoe Cove Park Concept Plan” (1996) and future Vantreight Park plans.
- The route acknowledges the 1999 “Gordon Head Action Plan: Greenways, Bikeways and Pedestrian Mobility” greenway known as Pacific Greenway
- Links ocean accesses along the coastline
- Route was identified by local residents who wanted a quiet and safe walking route along the coast where possible
- Pedestrian activated crossing beacon at the intersection of Ferndale Road and Evergreen Place
- Signed pedestrian crossing at the intersection of Gordon Head Road and Arbutus Cove Lane
- Route Marker Signs, Map Signs and Trail Information Signs to be installed at various locations along the route
- The route provides access and vistas of the water
- Connects to walking/hiking designated trails though Glencoe Cove/Kwatsech Park
