

Centennial Trails Project

San Juan Greenway **FactSheet**

- Trail Length – 4.0 km
- Trail Width – 3.0m asphalt surface from Glendenning to Winchester, through Tyndall Park and the small park on Harvest Lane.
 - Shared with road for remainder of trail route
- The route acknowledges the 1999 “Gordon Head Action Plan: Greenways, Bikeways and Pedestrian Mobility” greenway known as San Juan – Arbutus
- Key connection between Blenkinsop Greenway and Mount Douglas Park and Arbutus Cove Park.
- Pedestrian activated crossing beacons at Shelbourne, Tyndall and Gordon Head roads
- Signed pedestrian crossings at Cedar Hill, Majestic, and Torquay
- Map Kiosks to be installed at various locations along the route
- The Lambrick Trail ‘spur’ connects Gordon Head Recreation Centre and through Lambrick Park
